SERVICES PTY LTD

KBSS Engineering & Murujuga Commercial Limited (MCL) have partnered to establish Buriya Services, a majority-owned Aboriginal business, specialising in comprehensive contractor management and labour hire solutions.

Buriya, a Ngarluma word meaning "tide", operates locally from both Karratha and Perth, proudly supporting the resources sector in the Pilbara. Buriya comprehensively manages all aspects of engagement, from generalist labour hire to working closely with clients to build, organise and manage a contingent workforce dedicated to specific projects.

Our Contractor Management Service Offering Includes:

 Recruitment & Screening

 Medical & Pre-employment Testing

 Contract Preparation & Execution

 Administration & Payroll

 Compliance Management

Over the past decade KBSS has established the systems and processes required to manage all aspects of engagement, with significant experience in successfully owning the sourcing, onboarding and engaging for major projects.

With a steadfast commitment to excellence, we proudly serve the resources sector, offering a unique blend of cultural diversity, industry expertise and a robust commitment to safety and compliance.
