

MURUJUGA
Commercial Ltd

Promote your brand on site
with Murujuga artwork printed
on custom-designed workwear

Celebrate our traditional culture and help us support the local Murujuga community

As part of our ongoing commitment to supporting and promoting our rich Murujuga heritage and culture, we are delighted to announce our collaboration with Aboriginal-owned family business, Jatu Clothing.

Together with Jatu, we've merged the old and the new, using contemporary artwork based on the ancient petroglyphs from Murujuga and innovative printing techniques to launch a unique range of workwear, PPE and products – including fire-retardant shirts, drink bottles, reusable cups, laptop bags, caps, backpacks and more.

Purchase Murujuga-designed workwear complete with your branding and logo:

- Choose from our range of unique Murujuga artwork for your workwear & PPE
- Developed using industry-first, state-of-the-art printing on Bisley's fire-retardant workwear
- Design your own or customise our design to include your brand name & logo*
- Our focus is on the usage of ethically sourced and recyclable materials

*Minimum quantities required

Building our Business, Empowering our People, Sustaining our Country.

As a 100% not-for-profit charitable venture, Murujuga Commercial Limited's primary goal is to promote economic self-determination and independence for the Murujuga people, both current and future generations.

To achieve these goals, we strive to maximise economic, social, and environmental returns in support of our business objectives – Respect, Sustainability, and Partnerships.

All profits from your purchase will directly benefit our community

Flame Resistant Clothing

Protect your employees when the sparks fly!

In an industry first, MCL is working with Jatu Clothing and Bisley Workwear to print our traditional Murujuga artwork on flame-resistant clothing.

All of the flame-resistant clothing in the **Murujuga artwork** range is manufactured by Bisley Workwear using innovative materials – tried and tested to protect from extreme heat hazards in accordance with AS/NZS 4836:2001, EN ISO 11612 and EN ISO 14116 certifications.

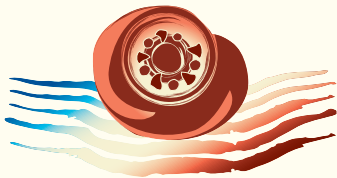

So, now your employees can look smart and stay protected without compromising your brand.

Other products*

From coffee cups to drink bottles, laptop bags to backpacks, lanyards and more – we can print our unique, contemporary Murujuga design (and/or your own design) on an innovative range of marketing materials. Beautifully designed, professionally executed. Choose Murujuga-designed workwear or products for your next print project!

* Note that products displayed in this brochure are mockups and for visual purposes only
